## WORK EXPERIENCE

April 2017 - Current  
**Tutor, BYU-Idaho, Rexburg, ID**  
 I currently work as a CIT tutor for the Tutoring Department to give students in-person and online help. I quiz students, help them understand concepts and complete assignments, and prepare them for tests or projects.

January 2017 - April 2017, April 2016-July 2016  
**Teaching Assistant, BYU-Idaho, Rexburg, ID**  
 I taught the frontend web design and development class when the instructor was absent, graded assignments, supervised the open CIT lab, gave students in-person and online help, and communicated and worked with other teaching assistants.

August 2016 - December 2016  
**Intern, AeroTEC, Seattle, WA**  
 As an intern at AeroTEC, I gained experience in the Purchasing department recording receipts and travel expenses; in the Recruiting department reviewing resumes, scheduling interviews and travel for candidates, and moving records from one ATS to another; and as a receptionist unloading deliveries, delivering mail, answering phones, and scheduling conference rooms. I also created videos, PowerPoint presentations, signage, and other designs for the company.
